

Applicants are also enclosing a Statement Under 37 CFR 1.825(a) and (b) signed by the undersigned attorney licensed to practice before the U.S. Patent and Trademark Office in Patent Cases. The statement indicates that the substitute sequence listing in paper form and in computer-readable form is identical and that the sequence data contained in the substitute sequence listing is fully supported in the specification as originally filed and in the original sequence listing. The statement indicates that no new matter has been inserted into the application.

Further action is awaited.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
